MANTA EXPEDITION

Onboard MALDIVES BLUE FORCE ONE

Route: NORTH MALE, ARI, RASDOO & BAA

- Mary August 8 to 15, 2020
- **September 12 to 19, 2020**
- September 18 to 25, 2021
- **September 17 to 24, 2022**

Maldives Blue Force One will visit the Baa Atoll and Hanifaru Bay on a special 8-day cruise on September like every year to make **MANTA EXPEDITION route**.

After the collaboration experience in previous years with MANTA TRUST Foundation, both in the North (reef mantas) and in Foamulah (oceanic mantas) we propose a new edition of these theme cruises starring the majestic and smart MANTA!

Equally important are the sharks as well as the amazing amount of life and color that the seabed of Maldives offers to divers and non-divers. All this is surrounded by an awesome landscape of majestic islands on an exclusive premium cruise for a maximum of 22 passengers.

MANTA EXPEDITION

- > August 8 to 15, 2020
- > September 12 to 19, 2020
- > September 18 to 25, 2021
- > September 17 to 24, 2022

*** Route: North Male, Baa Atoll,

At the end of September is the best season to visit the North Atolls in Maldives. We recommend an interesting diving cruise called **MANTA EXPEDITION**. After a first diving day in North Male where we look for a Manta cleaning station, we will sail northbound to the Baa Atoll & Hanifaru Bay. On this atoll we will try to enjoy snorkeling with mantas in the Hanifaru Bay, Biosphere Reserve.

Depending on sea conditions, currents and sightings on that week, and apart from mantas, we will modify the route in search for pelagics in Rasdoo, as well as diving with mantas by night and, with a bit of luck, diving &/or snorkelling with the whale shark on the Ari Atoll.
